

JUST LISTED

North Brisbane Accounting Practice

I have recently listed a small accounting practice based in northern suburbs of Brisbane. Please see some key points on the business:

- Services performed by the practice:
 - Superannuation
 - Consultation
 - Audit Income
 - Company Secretarial
 - Activity Statements
 - General Tax
 - Uncategorised
- Business located in northern suburbs of Brisbane to take advantage of local businesses.
- Located conveniently near major shopping centre
- Business currently includes Principle, 1x Accountant, 1x Office Manager, 1x Part Time Filing Clerk.

This acquisition is seen as a solid accounting practice that comes with a strong reputation in the area. There are many advantages with this business including the flexibility to take over the current lease which is month to month until a new lease has been signed, but also to relocate the practice to your existing location.

For more information on the opportunity, please contact Steve Scotland at TD Mango on 0410548821 or Steve@TDMango.com.au
